

Angela Kempton Meissner Administrator

Angela has worked for Able Center since June 2015. She has over 21 years of experience working and caring for individuals with special needs. She is a Florida Licensed Registered Nurse, Certified in Critical Care Nursing and is a Registered Behavior Technician.

Angela's role includes quality assurance, compliance, coordinating services, billing, medical records and clinical informatics.

Angela is passionate about helping individuals with special needs. She believes it is her God given purpose to advocate for them and assist them to lead more independent, fulfilling lives.
